THE FOOT SWITCH EXPERTS

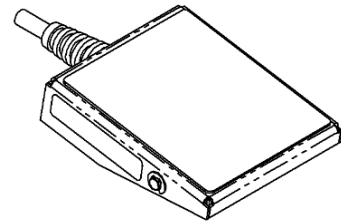

Product Information Sheet

S400-Series Foot Switches

The S400 foot switches make it easy to turn electrical equipment on and off with the foot, freeing the hands to perform other operations or providing ergonomic improvement to a workstation. The design features a powder-painted steel case and a solid steel shaft for precise switching action. Ideal for light-duty industrial, medical, dental, and office applications.

Design features:

- Durable steel case with powder-painted finish.
- Cover pivots on a steel shaft, providing smooth, precise motion.
- Wide, low-profile shape makes it easy on the user.
- Flexible strain relief protects heavy-duty cable from fatigue stress.
- Non-slip 3M® traction pads.
- Certified to CSA and UL standards.
- Available in momentary and maintained versions.

Quality features:

- Designed and manufactured under a quality system certified to ISO 9001 requirements.
- Includes a 1-year warranty on parts and labor.
- Made in USA of imported and domestic components.

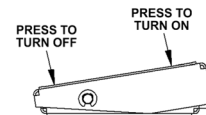

(cable with 3-pronged series connector shown)

Dimensions, L x W x H: 4.3" x 3.5" x 1.4"
 Weight (S400-1001): 1.4 pounds
 IEC enclosure rating: IP-21; NEMA Type 1
 Finish: powder paint, black

Warning: To avoid personal injury, do not use foot switches on machinery lacking effective point-of-operation safeguards. Disconnect input power before installing or removing this control.
